

## SMOOTH BORE DRAIN HOSE

### Submittal Information

Part No.	33505
Document No.	SPEC33505
Date	2025-02-14
Revision	01

### General Properties

- Material: Polyvinyl Chloride (PVC)
- Color: Ivory, White
- Temperature Range: -4°F to 158°F
- Weight: 3.0 kg

### Specification

Item No.	Description	Std. Pkg	U/M
33505	5/8" X 65' Smooth Bore Drain Hose	1	RL

### Features

- Built with high-quality, ivory-colored PVC for exceptional durability.
- Smooth interior reduces sludge build-up and minimizes maintenance.
- Easily cut to the desired length for tailored installations.
- Prevents secondary condensation, keeping the system dry and efficient.
- Simple plug-in design allows quick, hassle-free setup with your air conditioner.

### Applications

Used for draining condensate from mini-split air conditioners, heat pumps, and other HVAC systems.
