

# CONDENSATE DRAIN HOSES

Easy Installation

Durable

Anti-cracking

Easy to Cut

## MINISPLIT CONDENSER DRAIN HOSE

- Features dual-sized ends and connection sockets every 20" for flexible installation.
- Efficiently channels condensate from air conditioners, ensuring reliable drainage and performance.
- Made from high-quality PE with a carbon black inner layer for UV and corrosion resistance.
- Suitable for both indoor and outdoor use thanks to its durability and flexibility.
- Compatible with most mini split AC and heat pump systems, and easily cut or connected as needed.

| Item No. | Specifications                                  | U/M | Std. Pkg. |
|----------|---|-----|-----------|
| 33501    | 1/2" x 164' Condensate Drain Hose, UV Resistant | RL  | 1         |
| 33502    | 5/8" x 164' Condensate Drain Hose, UV Resistant | RL  | 1         |
| 33503    | 5/8" x 20' Condensate Drain Hose, UV Resistant  | RL  | 1         |

## SMOOTH BORE DRAIN HOSE

- Built with high-quality, ivory-colored PVC for exceptional durability.
- Smooth interior reduces sludge build-up and minimizes maintenance.
- Easily cut to the desired length for tailored installations.
- Prevents secondary condensation, keeping the system dry and efficient.
- Simple plug-in design allows quick, hassle-free setup with your air conditioner.

| Item No. | Specifications                    | U/M | Std. Pkg. |
|----------|-----------------------------------|-----|-----------|
| 33505    | 5/8" x 65' Smooth Bore Drain Hose | RL  | 1         |

## INSULATED DRAIN HOSE

- The insulated design prevents condensation on the hose exterior, minimizing water damage.
- Premium PVC or rubber materials provide flexibility, kink-resistance, and resilience in extreme temperatures.
- Reinforced seams ensure long-lasting durability, even in harsh conditions, while a lightweight build simplifies handling.
- A universal fit supports quick and easy installation with most AC units and drain systems.
- Various diameter and length options make it suitable for window, split, and portable units.

| Item No. | Specifications                  | U/M | Std. Pkg. |
|----------|---------------------------------|-----|-----------|
| 33511    | 1/2" x 65' Insulated Drain Hose | RL  | 1         |
| 33512    | 3/4" x 65' Insulated Drain Hose | RL  | 1         |
| 33513    | 1" x 65' Insulated Drain Hose   | RL  | 1         |

Dakota Sourcing, with 20 years of expertise, stands as a master distributor and manufacturer in the HVAC and Plumbing supply industry. Serving the U.S. market, our manufacturing capabilities are globally recognized, supporting numerous esteemed brands in both HVAC and Plumbing sectors.

We proudly offer an extensive inventory of over 5,000 SKUs, ensuring nationwide delivery to our wholesale clients on every business day. Our product range specializes in a diverse array of equipment, including Anti-Vibration Pads, Concentric Vent Kits, Conduit Whips, Duct Strapping, Mounting Brackets, as well as a wide selection of Black, Copper, and PVC fittings and piping solutions.

At Dakota Sourcing, we strive to innovate while staying attuned to the changing needs of the era, ensuring that our products not only meet but exceed industry standards.
